Create a Big Kid Drawer

I'm a Big Kid!

Want to get your child excited about becoming a big kid and learning to stay dry? Then it's time to create a potty-training treasure chest! Set aside a drawer for your little one and fill it with Huggies® Pull-Ups® in different designs.

This will let them choose their underwear all by themselves - just like "the grown-ups" do! It gives them a hands-on experience of potty training, and the pride and joy of becoming a big kid.
