## Hunt for nappies!

Follow the steps below:

- 1.** Potty training's a journey - so why not make it a rewarding one for your little one?
- 2.** Hide several nappies around the house and let your baby go on a little scavenger hunt.
- 3.** After they've found all the nappies, put them in a big bag and put it aside. Then reward your little one with a goodie pack that also includes Huggies® Pull-Ups®.

## The Nappy Fairy!

Follow the steps below:

- 1.** Hang a bag on your little one's bedroom door. Tell them that if they start putting their nappies there before going to bed, the nappy fairy will bring them a surprise.
- 2.** After a few days, take away the bag and replace it with a little gift bag - with a nice surprise for your little one and a pair of Huggies® Pull-Ups®.
